

## Guide balances 60 g à 300 kg

Classement des balances  
**par gamme,**  
**par précision,**  
**par portée**

Les options sont indiquées par un système de puces.

La sélection d'une balance correspondant aux critères de choix est très simple.

La description complète se trouve à la page indiquée dans le tableau.

### légendes

- étalonnage interne automatique
- étalonnage interne manuel
- fonction compte-pièces
- zone de tolérance : programmation de valeurs seuils (inférieure et supérieure), signal en cas de pesée hors zone de tolérance (contrôle de pesées)
- pesée en % : pesée en pourcentage par rapport à un poids de référence programmable
- interface RS232
- interface RS232 en option
- fonction BPL : compte-rendu BPL / ISO, impression des paramètres de pesées, date et heure
- IP65 : protection élevée contre la poussière et contre les projections d'eau
- balances à plage double : la précision est fonction de la portée, permet de couvrir une portée plus grande tout en conservant la meilleure précision

#### affichage :

LCD : cristaux liquides (Liquid Cristal Display)  
 LCD-R : LCD Rétroéclairé  
 LCD-Gr : LCD à affichage graphique multifonctions  
 LED : diodes électroluminescentes  
 Fluo : fluorescent

## légendes

- étalonnage interne automatique
- étalonnage interne manuel
- fonction compte-pièces
- zone de tolérance : programmation de valeurs seuils (inférieure et supérieure), signal en cas de pesée hors zone de tolérance (contrôle de pesées)
- pesée en % : pesée en pourcentage par rapport à un poids de référence programmable
- interface RS232
- interface RS232 en option
- fonction BPL : compte-rendu BPL / ISO, impression des paramètres de pesées, date et heure
- IP65 : protection élevée contre la poussière et contre les projections d'eau
- balances à plage double : la précision est fonction de la portée, permet de couvrir une portée plus grande tout en conservant la meilleure précision

## affichage :

- LCD : cristaux liquides (Liquid Cristal Display)
- LCD-R : LCD Rétroéclairé
- LCD-Gr : LCD à affichage graphique multifonctions
- LED : diodes électroluminescentes
- Fluo : fluorescent
